# INTERNATIONAL LEWY BODY DEMENTIA CONFERENCE

29-31 January 2025  
Mövenpick Hotel Amsterdam City Centre

## Dear potential sponsors and exhibitors,

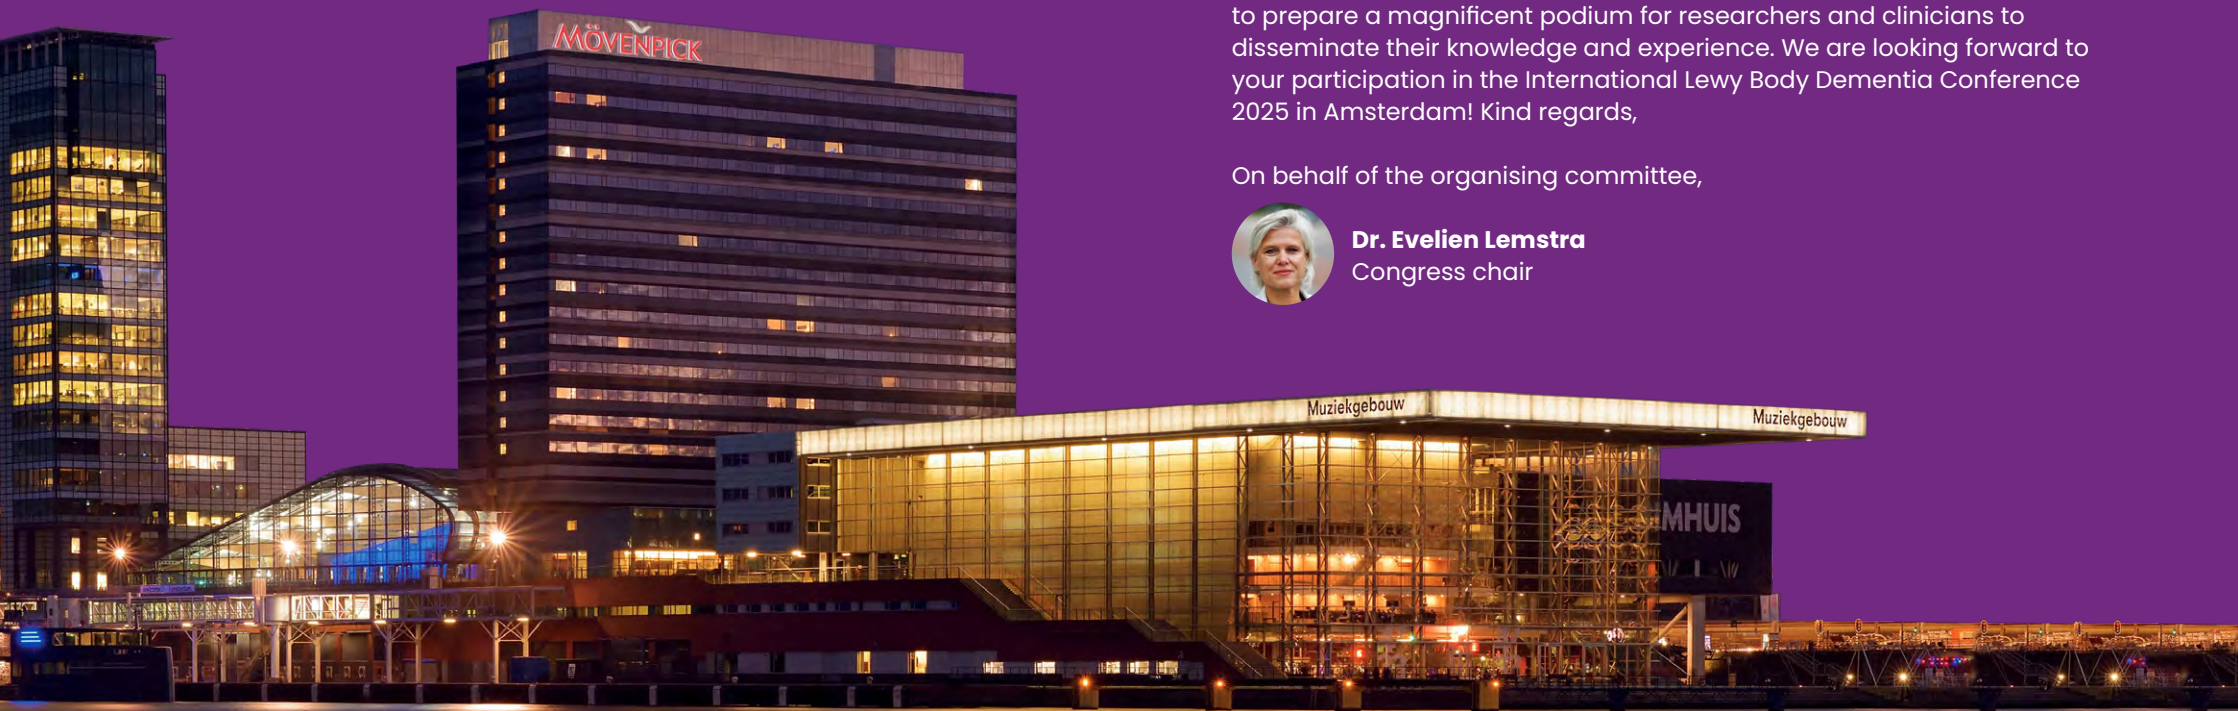

The 8<sup>th</sup> International Lewy Body Dementia Conference 2025 will be hosted by Alzheimer Center Amsterdam in the beautiful city of Amsterdam. This conference will bring together scientists from a wide range of disciplines performing cutting-edge research in the field of Lewy body Dementia. The International Lewy body Dementia Conference is the only conference dedicated solely to this topic. The programme will cover a broad range of topics ranging from discovery science to clinical biomarkers and trials. Leading researchers have already committed to this edition of ILBDC to assemble an outstanding conference programme.

The conference provides an outstanding and unparalleled forum for networking and socialization. Alzheimer Center Amsterdam has a great track record on patient care and scientific research and is ready to prepare a magnificent podium for researchers and clinicians to disseminate their knowledge and experience. We are looking forward to your participation in the International Lewy Body Dementia Conference 2025 in Amsterdam! Kind regards,

On behalf of the organising committee,

**Dr. Evelien Lemstra**  
Congress chair
